

The IEEE SPS Tunisia Chapter
is inviting all interested IEEE members and researchers
to a seminars presented by

Sergios THEODRIDIS, Univ. of Athens, Greece

Professor of Communications and Signal Processing, IEEE Follow, IET Follow
Member of the Signal and Image Processing Laboratory, Univ. of Athens, Greece
His research interests lie in the areas of Adaptive Learning and Signal Processing,
Communications, and Pattern Recognition

He is the co-editor of the book "*Adaptive System Identification and Signal Processing Algorithms*", Prentice Hall 1993 and co-author of the book "*Pattern Recognition*", Academic Press, 4th Ed., 2009.

He is currently the Editor-in-Chief of the EURASIP Signal Processing Book Series of Academic Press

He is the chairman of the Signal Processing Advisory Committee of the Edinburgh Research Partnership in Engineering and Mathematics (ERP)
